

Wraparound Support at NPower Canada

At NPower Canada, we're invested in supporting our participants and alumni as comprehensively as we can. Our Wraparound Support can help you to get connected with resources and community organizations that help you to address challenges that may interfere with your progress in the program, or in life.

Resources Available

NPower Canada's Wraparound Support team creates a resource list related to and including the following needs:

- ✓ Housing, Food & Clothing, Financial & Money
- ✓ Mental Health Counselling & Suicide / Crisis
- ✓ Childcare & Caregiving
- ✓ Immigration & Settlement
- ✓ Learning English, Learning French (specific provinces only)
- ✓ Legal Services
- ✓ Substance Use
- ✓ Temporary Employment
- ✓ Other: specific resources catered to 2SLGBTQ+, BIPOC, and disabled groups

Important: provision of resources by our staff does not guarantee immediate access to services as this depends on the partner organization's capacity, eligibility requirements, and resources available.

How to Access Resources

As a participant in the program, your Career Specialist can explore and share resources with you based on the Participant Needs you've identified in the admissions questionnaire, and will follow up with resources once the program has started, for needs that you've indicated.

As an alumnus and graduate of the program, you can request support with finding resources from your Alumni Placement Specialist.

How to Access Referrals

Referrals are made on a request basis. If you're interested in support with getting connected to an agency, please make the request through your Career Specialist, as a participant in the program, or Alumni Placement Specialist, as an alumnus.

Important: NPower Canada's Wraparound Support team works with our Community Engagement team to create and establish strong partnerships with local and national agencies. NPower Canada is open to facilitating new connections with agencies that are not yet included in our current community partner list.

For any questions about the contents of this document, please contact your Career Specialist, Alumni Placement Specialist, or email wraparoundsupport@npowercanada.ca.
